Virgin Media Protect

Welcome to Virgin Media Protect, brought to you by Asurion.

Nobody likes reading the small print, but to avoid any surprises, please:

- Read the insurance Terms and Conditions in full so you know what’s covered, what’s not and how to claim
- Block any lost or stolen device as soon as you discover it’s missing by calling Virgin Media on 0345 6000 789* to protect against unauthorised calls
- Make a claim, ideally within 30 days of discovering that your device is damaged or missing by submitting a claim 24/7 at www.virginmedia.com/protect or by calling us on 0345 030 3291*
- Pay the excess fee to complete your claim for a replacement device which may be refurbished to ‘as new’ standard. The excess fee was confirmed in your welcome pack and you can call us at any time to check it
- Comply with our reasonable instructions, including switching off or uninstalling any app which prevents our access to remove data from the claimed device
- Return any damaged or faulty device in the pre-paid packaging provided with your replacement – or you’ll be charged a non-return fee (based on the value of the non-returned model)
- Your insurance policy is not tied to your Virgin Media airtime contract. So if you want your policy to come to an end when you cancel or upgrade your airtime contract, you will need to contact the Virgin Media Protect team directly (see Section E)

Please read the Terms and Conditions in full so you understand what’s covered and what’s not. The terms ‘we’, ‘our’ and ‘us’ means Asurion Europe Limited (the policy administrator) and ‘the Insurer’ means Liberty Mutual Insurance Europe SE. When we refer to “Virgin Media Protect” in these insurance Terms and Conditions, we are referring to the insurance cover only, not the Mobile Rescue service.

A. Your cover

Virgin Media Protect gives worldwide cover to protect your device against:

- Loss and Theft
- Malicious damage caused by someone who doesn’t have your permission to use the device
- Accidental damage (including cracked screens and liquid damage)
- Pet damage
- Out of warranty breakdown

You’re covered as soon as the device is in your hands. You’re covered when you lend your device to family or friends and whenever you travel abroad.

We don’t offer ‘new for old’ cover so any replacement device you receive may be refurbished to our standard using original equipment manufacturer parts. Our aim is that you will not be able to tell the difference between a new and refurbished device. In the unlikely event we can’t send you a same model replacement, we’ll offer you a different make, model or colour device with comparable features and functionality

You can buy Virgin Media Protect provided:

- You’re buying or upgrading your device with Virgin Media
- You’re over 18
- You haven’t had a mobile insurance policy declined or cancelled by us in the past or a claim denied due to fraud

You can also buy Virgin Media Protect if you and the main authorised user of the device are resident in the UK. If at any time you or the authorised user are no longer going to be resident in the UK, you need to contact us using the details above and let us know. Your cover will be automatically cancelled.

B. The cost of cover

Your monthly premium and claim excess fee (the amount you have to pay towards the cost of your replacement device to complete a claim) is based on the value of your device at the time of purchase and confirmed in your welcome letter.

Asurion will collect your monthly premium in advance by separate direct debit (this will show on your statement as VirginPhoneInsFee on behalf of the Insurer. You need to pay the first month’s premium before any claim can be completed, your cover then renews automatically for the next 59 months after which we’ll cancel your policy. As devices age they will fall in value and so from time to time we may adjust your excess fee downwards. Call us to find out your current excess fee.

C. What’s not covered

Any device other than one purchased from Virgin Media and shown on your welcome letter unless replaced by us or replaced under manufacturer warranty.

- Any claim if you haven’t paid your insurance premium. If you haven’t paid a premium but your policy hasn’t yet been cancelled, we’ll process your claim if you pay the outstanding amount.
- The excess fee you have to pay to complete a successful claim
- The cost of any calls, texts, data usage or downloads on a lost or stolen device.
- A third or subsequent claim in any 12-month period.
- Accessory-only claims.
- Accessories other than the battery, mains charger and any hands-free kit that came with the device.
- Cosmetic damage — where the device works as normal, except where you are claiming for a cracked screen.
- Damage caused by making alterations to the device or acting against manufacturer guidelines.
- The cost of any repair to your device unless we instruct it.
- Any fault that happens within the manufacturer’s warranty period (where the manufacturer covers you against certain operating failures).
- Any malicious or deliberate damage caused by you or somebody you have authorised to use the device.
- Any losses or consequences you face as a result of being without your device.
- Loss or corruption of any kind of app, software or digital content other than standard manufacturer software.
D. Making a claim

Making a claim

1. For lost or stolen devices, call Virgin Media as soon as possible (we recommend you do this within 48 hours) on 0345 6000 789* (+44 7953 967 967 from abroad) to block it against unauthorised use. We recommend you report any stolen device to the police, as we have the right to require a crime reference number to complete your claim.

2. Submit your claim online 24/7 at www.virginmedia.com/protect

3. Call our Virgin Media Protect team on 0345 030 3291* to make a claim, ideally within 30 days of discovering the loss, theft, breakdown or damage. If you’re calling from abroad please dial +44 345 030 3291* replacing + with the international dialling prefix relevant to your location.

Please have a payment card ready to pay your claim excess fee. We accept MasterCard and Visa debit or credit cards.

If you report a claim to us more than 90 days after discovering the loss, theft, fault, breakdown or damage to your device, we will still consider your claim, but it may impact our ability to assess your claim and could, in some cases, result in it being declined.

When you make a claim, we’ll block any lost or stolen device automatically before sending a replacement. We won’t be able to complete your claim until you agree to our blocking that device. Once your claim is completed, we (and only we) can unblock that device.

We aim to send a next-day ‘as new’ replacement for claims approved before 8.30pm Monday to Friday and 2.30pm on weekends. For claims accepted outside of these times, you will receive your ‘as new’ replacement phone within 2 days. If we’re late, let us know and we’ll give you £20, credited to your bank account within 30 days.

This excludes:

• Claims made or deliveries that fall on a Bank Holiday.
• Deliveries outside of mainland Great Britain including deliveries to the Scottish Islands, Northern Ireland and the Channel Islands.
• Any delay caused by something outside our control like extreme weather, natural disaster, epidemic or crime, and supply shortages affecting the industry (e.g. where new model devices are in very high demand and short supply after launch).

Please make sure someone is in to sign for the delivery. Your replacement comes with:

• A 24-month warranty
• The usual device accessories, if yours were involved in the incident or we provide you with a different model replacement
• Prepaid packaging to return any damaged or faulty device (minus the SIM card, battery and charger).

As soon as you receive your replacement device, the original claimedor replaced device (the faulty or damaged device or the lost or stolen device if later recovered) becomes the property of the Insurer and must be returned to us within 15 days. Otherwise, we’ll charge a non-return fee (based on the value of the non-returned model) to the payment card used to pay your excess fee. The device is your responsibility until it arrives with us. Please make sure that when you go to the Post Office that you get proof of postage (this is free) and confirmation of the weight of the package you are returning to us. We will not approve any further claim until you have returned the claimed-for device or paid the outstanding amount.

You must comply with our reasonable instructions including switching off or uninstalling any app which prevents our access to remove data from the claimed-for device. If you need any help with this please call us on 0345 030 3291*. If you refuse to do it we will not proceed with your claim. If you fail to do it we will treat that as a non-return and may charge you a non-return fee.

E. Cancelling your cover and changes to the policy

You can call or email us to cancel your policy (see contact details at the top of these terms) or write to us at Virgin Media Protect, PO Box 670, Brentford, TW8 1DA.

You can cancel within the first 28 days and (if you haven’t made a claim) we’ll refund any premium paid. Otherwise, you can cancel at any time and cover will finish at the end of the paid-for period. When you buy another device from Virgin Media on the same mobile number and add insurance, we’ll cancel cover on your old device automatically. You can call us to keep that policy running. We’ll set up a policy for the new device and confirm your cover start date, premium and claim excess in writing.

We’ll cancel your policy if you fail to pay the monthly premium, have two successful claims in any 12-month period or if you make a claim we find to be fraudulent, and we will send you confirmation including your cover end date.

When you buy another device from Virgin Media on the same mobile number and add insurance, we’ll cancel cover on your old device automatically. Otherwise, if you cancel or upgrade your airtime contract with Virgin Media, your insurance policy will remain active unless you contact us to cancel.

We may change your policy terms or alter the premium or excess fee for future periods of cover based on significant adverse claims experience, significant increase in our operating costs, inflation, economic and environmental factors, and changes in legislation, taxation or interest rates.

If we make a change that increases any charges or reduces your cover, we’ll give you at least 30 days’ notice sent to the current contact details we have for you and you will be able to cancel your policy if you are not happy with our changes. If we make any change that improves your cover, we may apply it straight away without notice.

F. How to complain

You can call or email us (see contact details at the top of these terms) or write to us at Virgin Media Protect, PO Box 670, Brentford, TW8 1DA. If we can’t resolve your complaint right away, we’ll email or write to you within five working days to outline our next steps. If the issue still isn’t resolved within two weeks, we’ll contact you again to keep you up to speed on what’s happening.

If after making a complaint you are still not satisfied or we haven’t given you our final Response within 8 weeks, you may refer the dispute to the Financial Ombudsman Service (FOS) which is a free and impartial service, who may be contacted at:
