Virgin Media Protect

Welcome to Virgin Media Protect, brought to you by Asurion.

Virgin Media Protect consists of:

- Mobile phone insurance covering loss, theft and damage (please see the Insurance Terms and Conditions below for further details).
- Mobile Rescue, the app and helpline that connects you to Tech Experts who can help with your phone frustrations (please see the Mobile Rescue Terms and Conditions of Use below for further details).

Payment is collected in a single monthly premium by Asurion Europe Limited. If either the insurance or the Mobile Rescue is cancelled, the other is cancelled automatically.

Insurance Terms and Conditions

Nobody likes reading the small print, but to avoid any surprises, please:

- ✓ Read the insurance Terms and Conditions in full so you know what's covered, what's not and how to claim
- ✓ Block any lost or stolen device as soon as you discover it's missing by calling Virgin Media on 0345 6000 789* to protect against unauthorised calls
- ✓ Make a claim, ideally within 30 days of discovering that your device is damaged or missing by submitting a claim 24/7 at www.virginmedia.com/protect or by calling us on 0345 030 3291*
- ✓ Pay the excess fee to complete your claim for a replacement device which may be refurbished to 'as new' standard. The excess fee was confirmed in your welcome pack and you can call us at any time to check it
- ✓ Comply with our reasonable instructions, including switching off or uninstalling any app which prevents our access to remove data from the claimed for device
- ✓ Return any damaged or faulty device in the pre-paid packaging provided with your replacement – or you'll be charged a non-return fee (based on the value of the non-returned model)

Insurance Terms and Conditions

Please read the Terms and Conditions in full so you understand what's covered and what's not. The terms 'we', 'our' and 'us' means Asurion Europe Limited (the policy administrator) and 'the Insurer' means WDP Insurance Limited).

A. Your cover

Virgin Media Protect gives worldwide cover to protect your device against:

- Loss and Theft
- Malicious damage caused by someone who doesn't have your permission to use the device
- Accidental damage (including cracked screens and liquid damage)
- Pet damage
- Out of warranty breakdown

You're covered as soon as the device is in your hands. You're covered when you lend your device to family or friends and whenever you travel abroad.

Any replacement device you receive may be refurbished to our standard using original equipment manufacturer parts. In the unlikely event we can't send you a same model replacement, we'll offer you a different make, model or colour device with comparable features and functionality.

You can buy Virgin Media Protect provided:

- You're buying or upgrading your device with Virgin Media
- You're over 18
- You haven't had a mobile insurance policy declined or cancelled by us in the past or a claim denied due to fraud

You can also buy Virgin Media Protect if you and the main authorised user of the device are resident in the UK. If at any time you or the authorised user are no longer going to be resident in the UK, you need to contact us using the details above and let us know. Your cover will be automatically cancelled.

B. The cost of cover

Your monthly premium and claim excess fee (the amount you have to pay towards the cost of your replacement device to complete a claim) is based on the value of your device at the time of purchase and confirmed in your welcome letter.

Asurion will collect your monthly premium in advance by separate direct debit (this will show on your statement as NEWAsurion Europe LTD RE VirginPhoneIns) on behalf of the Insurer. You need to pay the first month's premium before any claim can be completed, your cover then renews automatically for the next 59 months after which we'll cancel your policy. As devices age they will fall in value and so from time to time we may adjust your excess fee downwards. Call us to find out your current excess fee.

C. What's not covered

- Any device other than one purchased from Virgin Media and shown on your welcome letter unless replaced by us or replaced under manufacturer warranty.
- Any claim if you haven't paid your insurance premium. If you haven't paid a premium but your policy hasn't yet been cancelled, we'll process your claim if you pay the outstanding amount.
- The excess fee you have to pay to complete a successful claim
- The cost of any calls, texts, data usage or downloads on a lost or stolen device.
- A third or subsequent claim in any 12-month period.
- Accessory-only claims.
- Accessories other than the battery, mains charger and any hands-free kit that came with the device.

- Cosmetic damage – where the device works as normal, except where you are claiming for a cracked screen.
- Damage caused by making alterations to the device or acting against manufacturer guidelines.
- The cost of any repair to your device unless we instruct it.
- Any fault that happens within the manufacturer's warranty period (where the manufacturer covers you against certain operating failures).
- Any malicious or deliberate damage caused by you or somebody you have authorised to use the device.
- Any losses or consequences you face as a result of being without your device.
- Loss or corruption of any kind of app, software or digital content other than standard manufacturer software.
- Confiscation of your device by a finance company or government agency (such as the police).
- Any claim that we find to be fraudulent. If we settle a claim that's later found to be fraudulent we may take action to recover our costs.
- Your SIM card.

D. Making a claim

1. Submit your claim online 24/7 at www.virginmedia.com/protect
2. Claim by phone using the contact details set out in Section J
3. For lost or stolen devices, call Virgin Media as soon as possible (we recommend you do this within 48 hours) on 0345 6000 789* (+44 7953 967 967 from abroad) to block it against unauthorised use. We recommend you report any stolen device to the police, as we have the right to require a crime reference number to complete your claim.

Please have a payment card ready to pay your claim excess fee. We accept MasterCard and Visa debit or credit cards. If you report a claim to us more than 90 days after discovering the loss, theft, fault, breakdown or damage to your device, we will still consider your claim, but it may impact our ability to assess your claim and could, in some cases, result in it being declined.

We will ask you to provide relevant information to support your claim. In some cases, we may also ask you to complete a written claim statement and/or provide evidence of your identity.

When you make a claim, we'll block any lost or stolen device automatically before sending a replacement. We won't be able to complete your claim until you agree to our blocking that device. Once your claim is completed, we (and only we) can unblock that device.

We aim to send a next-day 'as new' replacement for claims approved before 8.30pm Monday to Friday and 2.30pm on weekends. For claims accepted outside of these times, you will receive your 'as new' replacement phone within 2 days. If we're late, let us know and we'll give you £20, paid to the payment card used to pay your claim excess fee within 30 days.

This excludes:

- Claims made or deliveries that fall on a Bank Holiday.
- Deliveries outside of mainland Great Britain including deliveries to the Scottish Islands, Northern Ireland and the Channel Islands.
- Any delay caused by something outside our control like extreme weather, natural disaster, epidemic or crime, and supply shortages affecting the industry (e.g. where new model devices are in very high demand and short supply after launch).

Please make sure someone is in to sign for the delivery. Your replacement comes with:

- A 24-month warranty
- The usual device accessories, if yours were involved in the incident or we provide you with a different model replacement
- Prepaid packaging to return any damaged or faulty device (minus the SIM card, battery and charger).

As soon as you receive your replacement device, the original claimed-for device (the faulty or damaged device or the lost or stolen device if later recovered) becomes the property of the Insurer and must be returned to us within 15 days. Otherwise, we'll charge a non-return fee (based on the value of the non-returned model) to the payment card used to pay your excess fee. The device is your responsibility until it arrives with us. Please make sure that when you go to the Post Office that you get proof of postage (this is free) and confirmation of the weight of the package you are returning to us. We will not approve any further claim until you have returned the claimed-for device or paid the outstanding amount.

You must comply with our reasonable instructions including switching off or uninstalling any app which prevents our access to remove data from the claimed-for device. If you need any help with this please call us on 0345 030 3291*. If you refuse to do it we will not proceed with your claim. If you fail to do it we will treat that as a non-return and may charge you a non-return fee.

E. Cancelling your cover and changes to the policy

You can call or email us to cancel your policy (See section J. Contact Details) or write to us at Virgin Media Protect, PO Box 71012, London W4 9FW.

You can cancel within the first 28 days and (if you haven't made a claim) we'll refund any premium paid. Otherwise, you can cancel at any time and cover will finish at the end of the paid-for period. When you buy another device from Virgin Media on the same mobile number and add insurance, we'll cancel cover on your old device automatically. We'll set up a policy for the new device and confirm your cover start date, premium and claim excess in writing.

We'll cancel your policy if you fail to pay the monthly insurance premium, have two successful claims in any 12-month period or if you make a claim we find to be fraudulent. We'll also cancel your policy if your pay monthly airtime contract with Virgin Media terminates, unless you and we agree to continue cover when you change to a different airtime plan. If we cancel your policy, we'll send you written confirmation, including your cover end date.

We may also cancel your policy if it is no longer economically viable to provide this product or if we, or the insurer, withdraw from the market of providing policies of this type in the UK. If this happens we'll give you at least 30 days' notice sent to the current contact details we have for you.

We may change your policy terms or alter the premium or excess fee for future periods of cover based on significant adverse claims experience, significant increase in our operating costs, inflation, economic and environmental factors, and changes in legislation, taxation or interest rates. If we make a change that increases any charges or reduces your cover, we'll give you at least 30 days' notice sent to the current contact details we have for you and you will be able to cancel your policy if you are not happy with our changes. If we make any change that improves your cover, we may apply it straight away without notice.

If you cancel Virgin Media Protect you won't have access to the Mobile Rescue service.

F. How to complain

You can call or email us (See section J. Contact Details) or write to us at Virgin Media Protect, PO Box 71012, London W4 9FW. If we can't resolve your complaint right away, we'll email or write to you within five working days to outline our next steps. If the issue still isn't resolved within two weeks, we'll contact you again to keep you up to speed on what's happening.

If you're not happy with the outcome of your complaint or we haven't given our final response within 8 weeks of you raising your complaint, you can contact The Financial Ombudsman Service by phone: 0800 023 4567 (Freephone) or 0300 123 9123, by email: complaint.info@financial-ombudsman.org.uk or in writing at: Exchange Tower, London, E14 9SR. You need to contact them within 6 months of receiving our final decision. The service is free and we are bound by any decision the Financial Ombudsman reaches. This won't affect your statutory rights or prejudice your right to take subsequent legal proceedings. See financial-ombudsman.org.uk for more details.

If you encounter technical problems that are the result of software or hardware errors not yet resolved by the hardware or software vendors, manufacturers or developers, we may not be able to resolve your specific issue.

7. Software - Remote Access and backing up

As part of getting support via the Mobile Rescue service, you may need to download and/or run certain software applications (“software”) on your device and/or on any device connected to or used in connection with it. The software may include remote access tools that allow us to remotely access your device and any device connected to it, as well as their contents.

You acknowledge that if you download any software, you will be required to accept a separate set of terms and Conditions before you install it.

If any change may be to your disadvantage, we’ll tell you about it at least 30 days prior to the change taking effect. If you do not agree with any change, you can stop using the Mobile Rescue service at any time. You don’t need to tell us if you’re going to do that.

We will only remove your right to use the Mobile Rescue service if we have a valid reason (such as if you don't comply with these terms or if there is a change in law or technological developments which make the provision of the Mobile Rescue service impossible or more difficult for us or less commercially viable) or if you are no longer eligible.

10. How can I cancel the Mobile Rescue service?

You can call or email us to cancel these terms (**See section 3. How can I contact the service?**) or write to us at Virgin Media Protect, PO Box 71012, London W4 9FW.
